

SAFETY DATA SHEETS

All vendors must present Safety Data Sheets (SDS. Each form should include the following **MINIMUM** information:

- Name and/or product number
- Name and address of manufacturer
- Description of hazardous material contained in the product
- Effects of the hazardous material
- Telephone number of manufacturer where additional information can be obtained.

SDS are required for any material containing potentially hazardous substances.

All labor vendors must provide SDS to their work crew employees. Upon contract award, labor vendors must also assure the local agency, in writing, that their work crew employees have received the SDS.
